Bill sat on the mat at the top step. His hat was wet with snow. The sun was not hot on the step, and Bill was cold. He sat and sat, but his pal did not come. He did not like to sit in the cold.

"This was our plan," said Bill. "Did I come on a bad day?"

"I thought he said he would teach me how to play chess Tuesday after school. We had art today, so I know today is Tuesday."
